The Shepherd's Voice

by: Servant of God Chiara Lubich, Founder and President of the Focolare movement

Lord, in a mysterious way, what you are saying to us rings true with what we feel within. We know when it is your voice we hear and when it is not.

Thank you for having compared us to sheep as they are so good and docile. You are like a mother who never fails to recognize the innocent child in her son gone astray. You give us courage, because you believe in our goodness. For this we thank you.

Our whole life is an adventure of love. You believe in our love, and we should and want to believe in yours. You lead us, Jesus. You guide those who already know and follow you as well as those who don't yet, but one day will.

Jesus, you are the world's only great leader. No one deserves this title but you, the Good Shepherd who lays down his life for his own. But how conscious of this are we? We can't fathom it completely. Often our eyes are blinded, we are concerned only with matters of this world, and we forget to be thankful to you.

Jesus, you are with us, making us hear your voice. Your voice awakens us: We want to follow you.
