

# HOLY NAME OF JESUS CATHOLIC CHURCH

## Clothed With Power

Christ in the Rubble by [Kelly Latimore](#)

When we look at the promises of Jesus and the life of the early Church, one thing becomes clear. Dr. Mary Healy wrote, "Jesus Christ did not die and rise from the dead for a powerless Church unable to cope with the cynicism, brokenness, and spiritual emptiness that surrounds us. He died and rose to form a people alive in Him, filled with joy, walking in the gifts and the power of the Holy Spirit, and bearing witness to his victory over sin and death."

You and I, as disciples of the living and risen Lord Jesus, are not supposed to be white knuckling it through life, just getting by, clenching our teeth, and hoping to survive the onslaught of a broken and wounded world. We're meant to be taking the world for the kingdom of God. Our very lives are witness to his victory and permeated by the graces, love, power, and joy of the Holy Spirit.

## Parking At Our Church

As our neighbourhood grows up, the number of available parking spots goes down! Here are some travel tips for commuting to Holy Name:

- **Carpool.** Can you pick up your neighbour on the way to Sunday Mass or daily Mass? Please leave your name and number and closest intersection with the parish office for a possible match. Thank you for helping!
- **Arrive early.** The church is open at least 30 minutes before Mass on weekdays and 1 hour before Mass on Sundays. On Saturdays, come early for confession at 4pm. More time to pray!
- **Park southbound on Cambie St.** (north of W. 33<sup>rd</sup> Ave.). These are free street parking spots on weekdays until 3pm, and unlimited parking all day Saturday & Sunday.
- **Take public transit.** The 15 Cambie bus stop #50422 is right on our front doorstep.
  - **Walking tip:** If you are taking the Canada Line, the walk *from* Oakridge-41st Station to our church is downhill, and the walk leaving our church *to* King Edward Station is downhill.
- **Bike.** Our church has its own bike rack (donated by a generous parishioner in 2022) which has parking for at least 5 bikes (including large e-bikes).

**NOTICE:** Parking in the rectory driveway is reserved 24 hours a day, 7 days a week for on-duty staff and volunteers. Never block the garage door or you will be towed at your own expense.

## Tee Time for our Altar Servers!

Our parish is blessed with a mighty altar serving team guided by the exceptional leadership of our Head Altar Server, William Coligado. This reverent crew were treated to a golf outing and BBQ in QE Park last weekend organized by the Knights of Columbus under the capable direction of Grand Knight Paul Fang. Thank you to our servers and our generous Knights!

*Glory To God*

In gratitude for His great gift of faith, we want to thank God for all those who have become new members of our faith community in these past months, and this past Sunday, we were blessed to be able to joyfully celebrate the baptism of Halo Olivia Yang Kular!
